

SPEECHFLOW
PRESENTING THE FUTURE

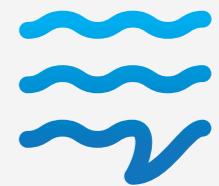

Speech**Flow**

01

BACKGROUND

Fundamentally changing traditional methods on how people present and interact with data.

Speech**Flow**

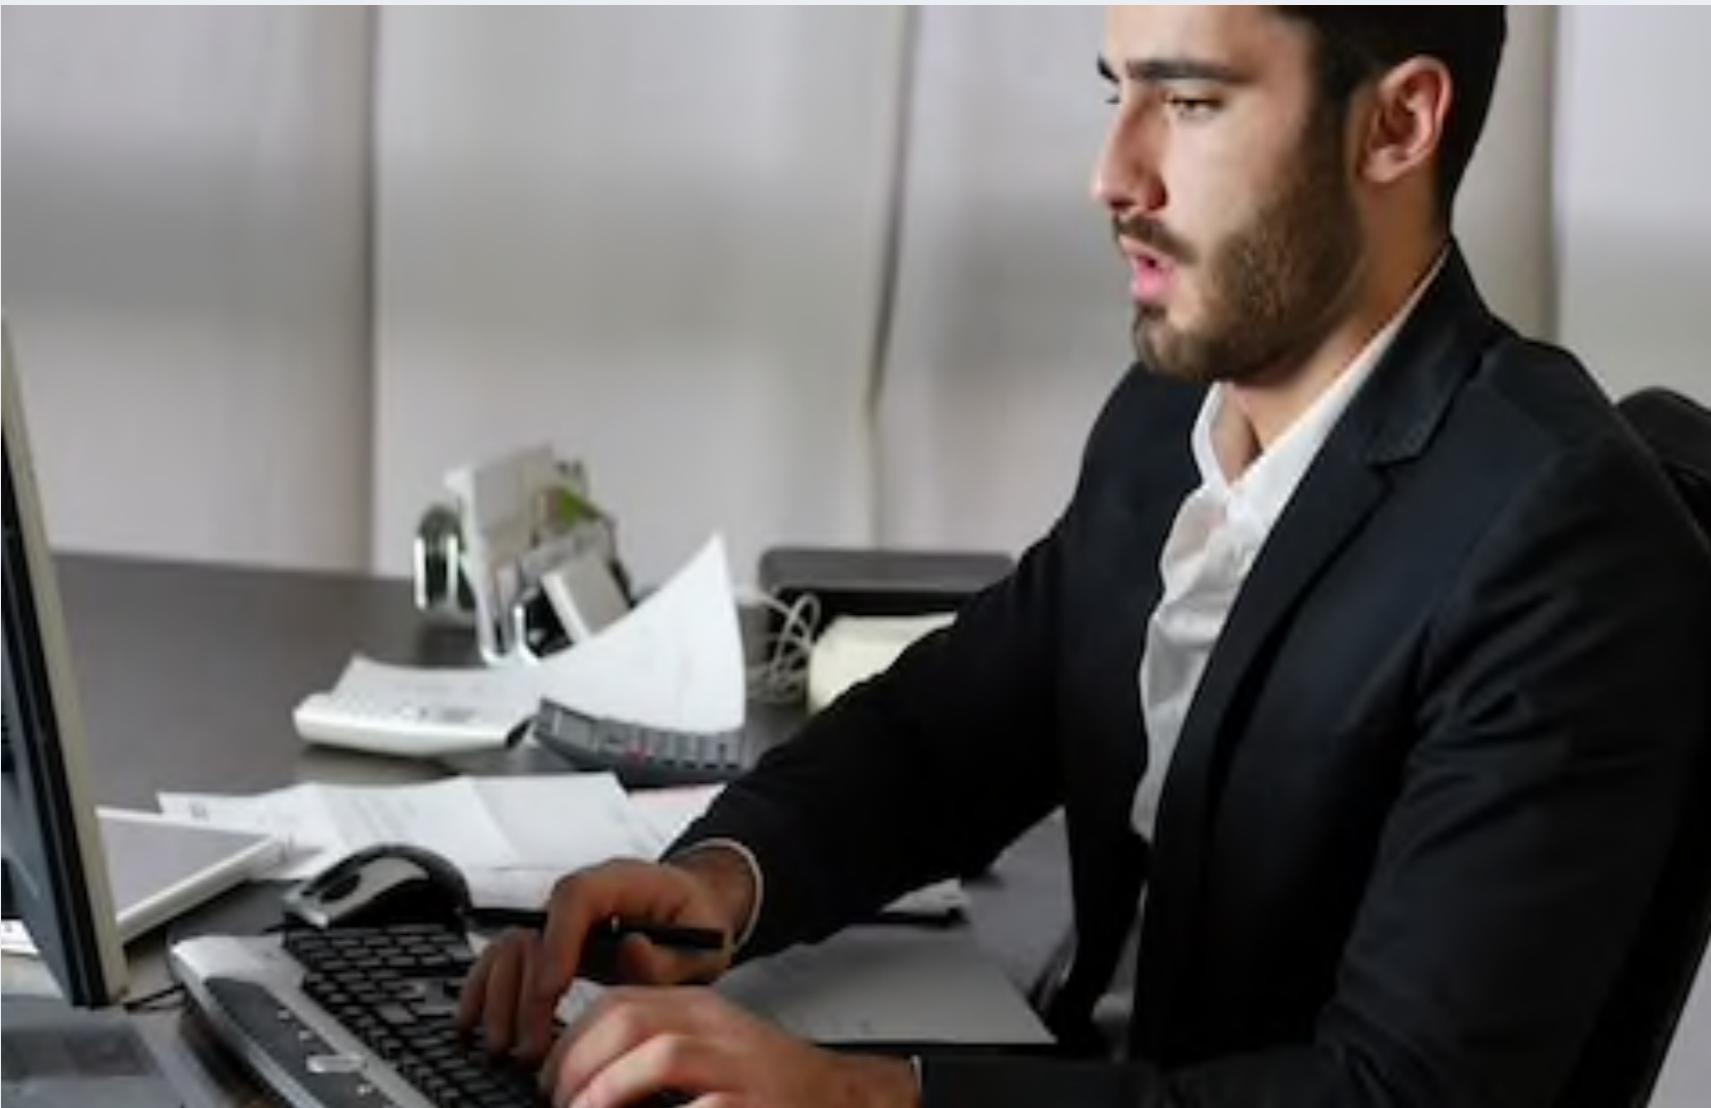

WHY ANOTHER PRESENTATION APP?

PROBLEMS

- EDITING -

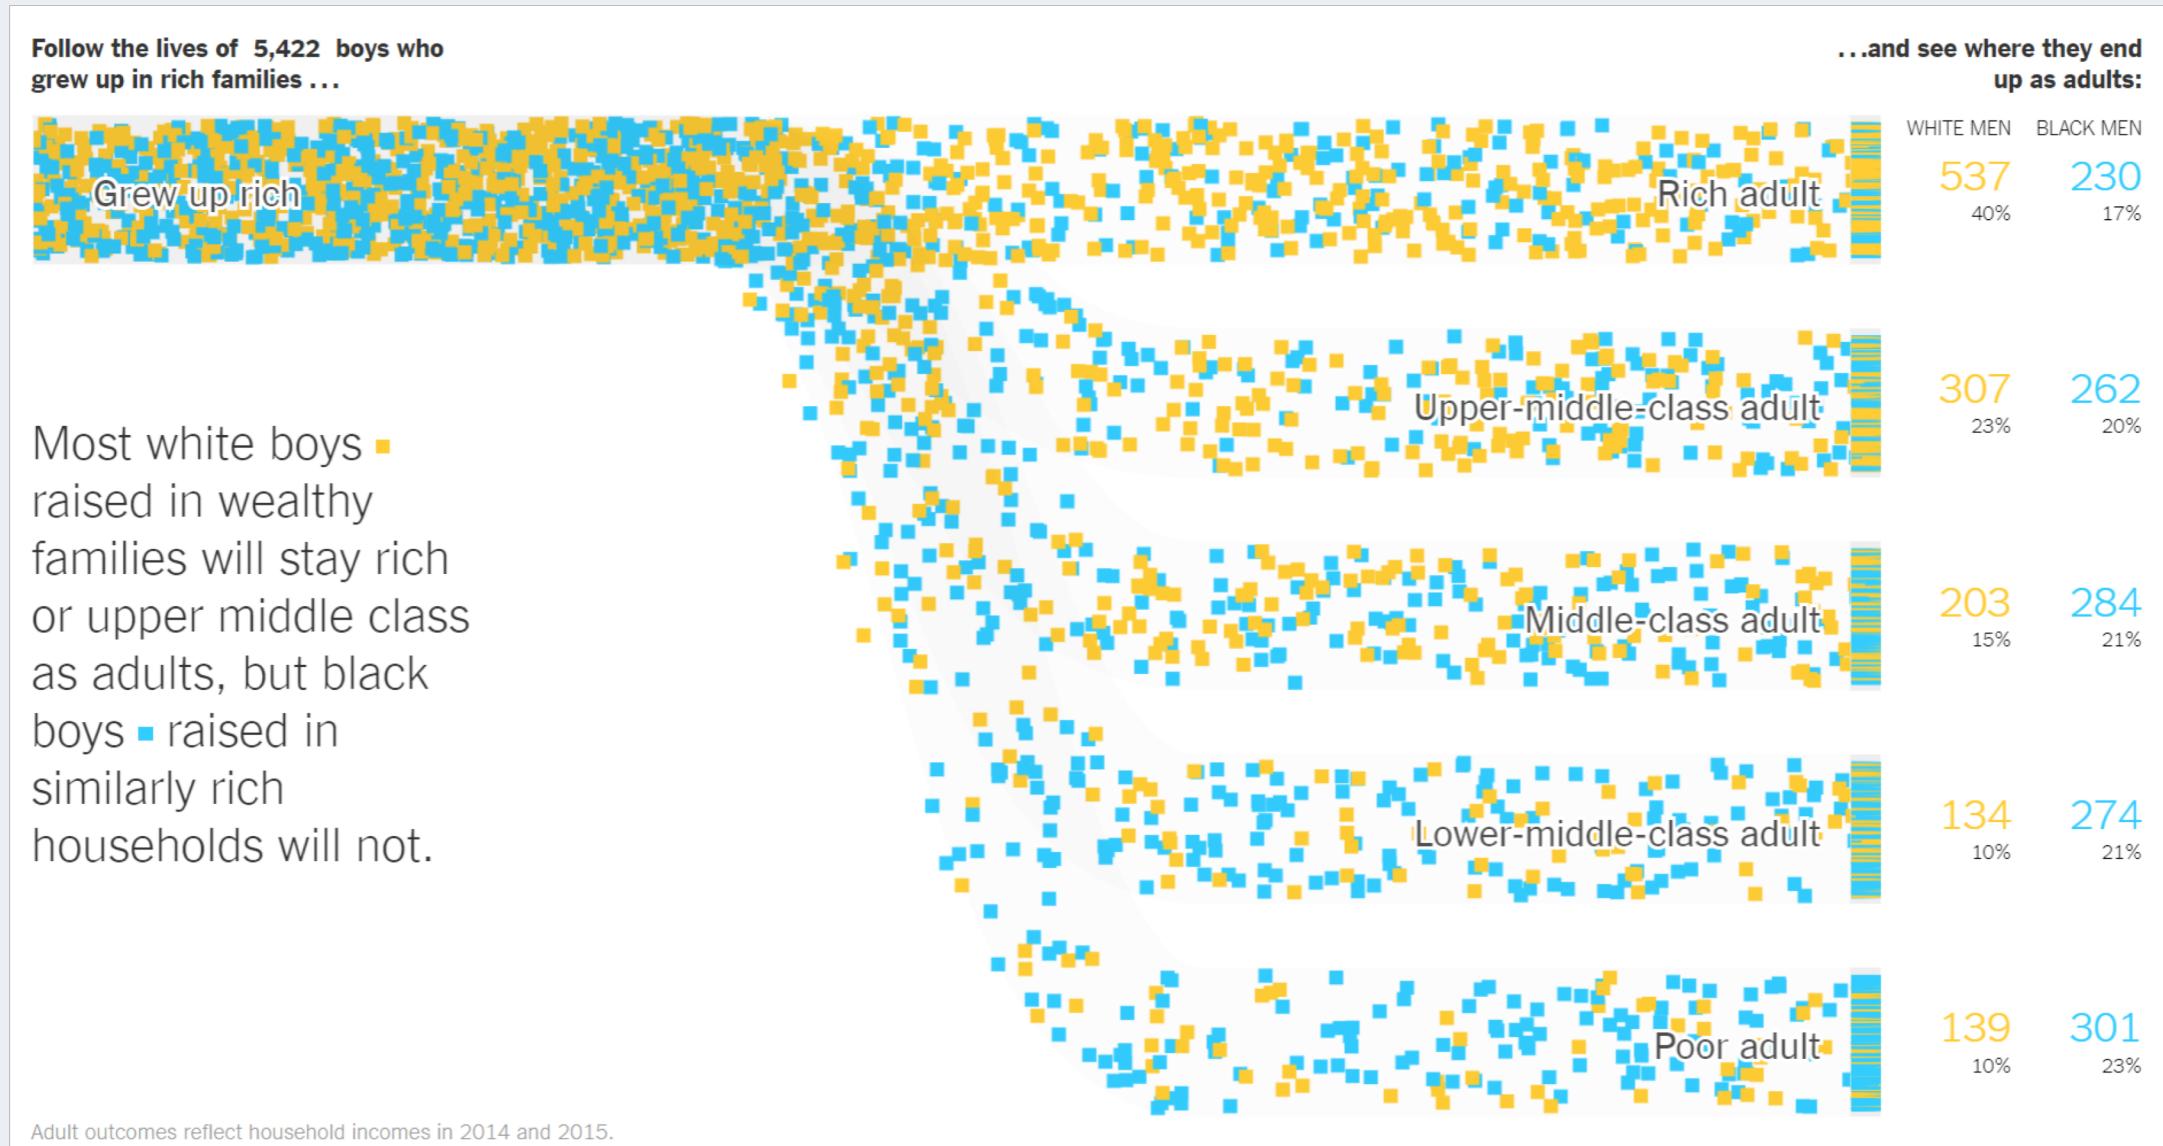

"\$250 million dollars is
wasted per day using
PowerPoint "

-Microsoft-

PROBLEMS

- EDITING -

↓

PROBLEMS - PRESENTING-

“55% more students fail in non-interactive courses than classes with at least some interaction”

-National Science Foundation-
